Yarding 7300
Change 1560

comparison date 26/05/2020

Cattle numbers rose by 1,560 head to see a total yarding of 7,300 head at the Roma Store Sale. Cattle were mostly drawn from the local supply area but included a fair number from Western & North Western Queensland in a yarding where steers and heifers were present in equal numbers. The overall quality of the yarding was varied, and prices were reflective of quality variations, however lines of quality local young cattle continued to be well represented. The buying panel was smaller with less Southern restockers present and a regular processor was again not operating. Restockers were competing with strong demand on medium weight steers and heifers under 330kg, which both saw improvements in price while most other weight brackets eased. Medium weight cows eased in price by 16c to 17c, and heavy weight cows fell by 13c to 14c/kg.

Light weight yearling steers under 200kg to restockers made to 464.2c to average 453c/kg. A large sample of light weight yearling steers under 280kg to restockers reached a top of 474.2c to average 440c/kg. Medium weight yearling steers under 330kg to restockers sold to 470.2c to average 431c/kg. Medium weight yearling steers under 400kg to feed made to 460.2c to average 395c/kg. Heavy weight yearling steers over 400kg to feed made to a top of 394.2c to average 389c/kg. Light weight yearling heifers under 200kg to restockers reached a top of 444.2c to average 421c/kg. A large sample of light weight yearling heifers under 280kg to restockers also made to 444.2c to average 393c/kg. Medium weight yearling heifers under 330kg to restockers sold to 410.2c to average 384c/kg. Medium weight yearling heifers under 400kg to feed made to 388.2c to average 351c/kg.

The best of the medium weight grown steers sold to 372.2c to average 341c/kg. Grown heifers to feed also reached a top of 358.2c to average 337c/kg. Medium weight 3 score cows sold to a top of 281.2c to average 266c/kg. Heavy weight 3 score cows made to a top of 279.2c to average 270c/kg. The best of the heavy weight bulls made to 280.2c to average 263c/kg. The larger number of cows and calves yarded reached a top of \$2485/unit.
