

Detailed Saleyard Report - Cattle
 Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 06/07/2021

 Yarding 3095
 Change -264

comparison date 29/06/2021

Numbers reduced to 3,095, down by 264 head at the Roma Store Sale after the recent rain event over the supply area. Cattle continue to be mostly drawn from the usual supply area, and the overall quality of the yarding was again mixed. Steers and heifers were yarded in similar numbers, with a smaller number of cows present. A good buying panel was in attendance and operating, however one regular processor continues to remain absent. Prices improved across the steers, and over the lead of the heifers, off the back of strong restocker, and feedlot competition for the reduced yarding. Cows also saw improvements, despite the reduced processor competition. Light weight yearling steers under 280kg improved by 37c to 38c/kg. Medium weight yearling steers lifted in price by 6c to 61c, while heavy weight steers improved by 15c/kg. The lead of the light weight heifers under 280kg gained 15c to 45c, while medium weight heifers under 330kg improved by 13c to 40c/kg. Heavy weight cows experienced a dearer trend of 5c to 8c/kg.

The small sample of light weight yearling steers under 200kg sold to a top of 612.2c to average 605c/kg. Yearling steers under 280kg to restockers made to 628.2c to average 601c/kg. Medium weight yearling steers under 330kg to restockers sold to 582.2c to average 516c/kg. Yearling steers under 400kg to restockers made to 546.2c to average 524c/kg. Heavy weight yearling steers over 400kg to feed reached a top of 516.2c to average 437c/kg. Light weight yearling heifers under 200kg to restockers reached a top of 568.2c to average 525c/kg. Yearling heifers under 280kg to restockers made to 598.2c to average 546c/kg. Medium weight yearling heifers under 330kg to feed sold to 542.2c to average 532c/kg. Yearling heifers under 400kg to restockers reached a top of 456.2c to average 448c/kg. Heavy weight yearling heifers over 400kg to feed made to a top of 450.2c to average 408c/kg.

Heavy weight grown heifers sold to a top of 310.2c to average 306c/kg. A large run of PTIC heifers sold on a dollars per head basis to a top of \$2120/head. Heavy weight cows were again present in the largest numbers with the heavy weight 3 score cows reaching a top of 300.2c to average 296c/kg. Heavy weight 4 score prime cows made to a top of 310.2c to average 306c/kg. The largest sample of light weight bulls sold to a top of 500.2c to average 418c/kg. Cows and calves reached a top of \$2280/unit for the limited supply.

MARKET REPORTER: Sherrill Stavano
