

Permanent Full-time Position

Sunland Cattle Co Pty Ltd is a family-owned innovative cattle company, specialising in the production of high quality Fullblood Wagyu Beef.

We are currently seeking the right candidate to join our team on one of our grazing properties in Central Queensland, north of Duarina. Sunland Cattle Co Pty Ltd operates on 18,000 ha and currently stocks approximately 10,000 Fullblood Wagyu.

The successful candidate will have the following –

- A positive attitude
- A willingness to learn and implement new innovative farming practices
- Excellent communication skills
- A diligent approach to workplace health and safety
- The ability to work as part of a team and individually
- A stable and long-term vision for your future
- Knowledge of cattle, machinery and property maintenance

A three-bedroom home is available and good conditions apply so that work can be carried out efficiently to the benefit of all. An attractive salary package will be offered commensurate with your experience and knowledge. Work is available for partner.

Training and courses to improve your skill set will be provided with the opportunity to progress your career within the business.
