

# STATION MANAGER

## MAGOWRA QLD

A great opportunity for a couple who have the passion and experience to work on a cattle property managing the station and its assets. This position is suitable for married/partners.

Magowra Station is our largest property, located 25km from Normanton on the Burketown Road. Magowra Station is a breeding operation producing turn-off stock for internal company movements and external markets. Approximately 24000 head of Brahman/Brahman cross cattle.

***The successful applicant will have the required experience, be self-motivated, disciplined and be able to demonstrate the following:***

- ✓ Sound knowledge and experience in beef property management
- ✓ Strong team leadership and effective communication skills
- ✓ Ability to work in a company structure including reporting.
- ✓ Good business and budget analysis with computer skills
- ✓ Be a hands-on Manager with good staff management skills
- ✓ Workplace Health and Safety management

***Preferable experience:***

- Large scale breeder management
- All aspects of bore, solar pumps and machinery maintenance/application
- Improvement programme management
- MC licence
- Firearms licence

A good remuneration package will be offered based on experience. Applications should include a covering letter with resume and email to [recruitment@westerngrazing.com.au](mailto:recruitment@westerngrazing.com.au).
