

Property Manager - Evora

Aminya Pastoral is a large and diverse privately owned agricultural business with properties situated throughout Central and Western Qld, Southeast Qld and Northern NSW.

Evora is situated approximately 40km north of Blackall, Queensland covering 24,362 hectares, and has a carrying capacity of 3,500 LSU running core breeder herd and trade cattle as seasons allow.

A unique opportunity has become available for an experienced and enthusiastic property manager to join our team as the manager of Evora, replacing the retiring manager who has been employed in this role for the past 30 years.

The successful applicant will manage the day-to-day operations of the property, reporting to the General Manager.

Aminya Pastoral is focused on staff training and applies the principles of Low Stress Stock Handling on all properties.

Applicants for this position should have:

- At least 3 years' proven experience in a manager or overseer role.
- A proven track record of pasture and livestock management, including a commitment to animal welfare.
- The ability to think strategically and adapt as circumstances dictate.
- Excellent record keeping, communication and leadership skills.
- A sound understanding and commitment to Workplace Health & Safety.

Desirable, but not essential:

- Experience in or a willingness to learn the management of a rotational grazing system.
- Business management skills, including computer skills, budgeting, planning, record keeping & reporting, or the desire to learn.

This is a rare career opportunity within a large, privately owned family business that values employees.

Employee benefits include:

- An attractive remuneration package.
- On-going training, development and support.
- Well maintained 4-bedroom air-conditioned homestead with a recently renovated kitchen, set in a well-established garden.
