

FULL TIME FARM AND LIVESTOCK HAND: HANNAFORD, QLD

About us:

We are looking for a full-time farm and livestock hand to join our family-owned and operated cropping and beef enterprise located 2 hours west of Dalby, near Hannaford. We currently run a combination of breeders and trade cattle across approximately 10,000 acres and have 5,500 acres under cropping rotation. In this role, you will work alongside the owner/manager as well as independently.

The job:

As a farm and livestock hand, you will be expected to help with all tasks related to broad acre cropping (spraying, planting, kelly chaining, deep ripping and more). There will also be cattle work such as induction, mustering, branding, checking waters and cleaning troughs as well as general property development including polypipe system installation and maintenance, fencing and waterway creation. The position currently comprises roughly 50% of time spent on cropping activities, 25% cattle and 25% property development.

Opportunities exist for further on-the-job training to occur with laser buckets, graders, dozer work, chemical handling and welding.

The remuneration package will include on-site private accommodation and a work ute for the right person. Wages to be discussed and will be based on experience.

Our ideal candidate:

- Previous farm experience working in GPS-controlled tractors and with livestock (happy to train up a school leaver if you are passionate about a career in the ag industry)
- A current manual driver's license
- Ability and willingness to perform manual labour
- Mechanical knowledge and skills, welding experience and an MC license would be highly regarded

If this sounds like you, please send through a cover letter and resume with two references outlining your experience to date and why you'd like to join our close-knit team to
