

Operations Manager, Newcastle Waters Station (NT)

Our people are dedicated, passionate and their hard work is celebrated and recognised.

Consolidated Pastoral Company (CPC) is a leading Australian managed, UK owned Agribusiness with strong ESG values. CPC owns and operates a portfolio of nine station aggregations in Australia and two feedlots in Indonesia. Across more than 3.2m hectares of land, the CPC team care for more than 300,000 head of cattle and produce a diverse range of crops.

About you

We are looking for people to join CPC with a proactive, positive and can-do attitude and contribute to an industry that's the cornerstone of our country's economy. And you'd be having a pretty good time doing it, too. CPC hires staff from a diverse range of backgrounds with a variety of knowledge, skills and abilities.

The position offers an exciting opportunity to manage and direct the day to day station operations along with the financial performance in line with strategy, the property plan and budget.

Your key duties and tasks

- Manage the station team for all cattle and general station operations
- Plan and manage the station work program
- Be committed to creating a positive safety culture
- Provide effective guidance, supervision and direction to staff
- Be a great communicator and guide by example

What you will need

- Willingness to live in a remote location
- Strong communication and the ability to guide teams
- Proven experience in station operations and operational performance
- Knowledge and awareness of Animal Welfare Practices
- Strong knowledge and awareness of beef supply chain systems and markets
- Demonstrated computer literacy

Immediate start is available or consideration of other options.

What's on offer

In joining us, you'll be well rewarded with an attractive remuneration package. Your home would be located within the Newcastle Waters Station community. And as far as your career's concerned, the opportunities are endless.

And ... you'll have the full support of our friendly team.

Physical Demands

This is a physically demanding job that includes both indoor and outdoor work in all types of weather and temperature environments.

This job can be physically strenuous (demanding) from time to time. You will be expected to be able to walk, climb, bend, kneel, lift, grip, grasp, push and pull various tools and equipment. You will need the ability to frequently lift, push and pull from 5 - 10 kilo's and occasionally more. This job will require the ability to ascend/descend ladders.

Values of importance to CPC include Health and Safety, Leadership, Trust, Community and Value Creation.

CPC is proud to build careers in agriculture
