

Farm Manager

Location: Graman near Inverell, NSW

Job Type: Permanent Full Time

- Opportunity to join a fast-growing newly-established cropping operation and place your mark on the business.
- Take accountability for a high-quality asset that is expanding in area and capability.
- Drive crop production through technology and innovation with high quality plant and equipment.
- Build a high performing team to develop a culture of strong teamwork & community spirit.

An exciting opportunity exists for an experienced and highly motivated hands-on Farm Manager to join our team on the Burmah Aggregation near Inverell on the Northern Tablelands. This position will work closely with the General Manager and be responsible for timely execution of farming processes along with the implementation of corporate and governance processes.

Property and Accommodation Description:

The aggregation is a 6,365ha mixed enterprise farm made up of 2 properties (Burmah - 5,135ha and The Glen 1,230ha) located within 60km of Inverell and approx. 400km to Brisbane. 3,212ha arable cropping area with scope for further cropping development based on land use selection in line with operational parameters.

Family accommodation will be provided on farm as well as access to local schools and community activities.

What's Involved?

- Daily management of the aggregation encompassing planning, financial performance, operational and employee management,
- Timely execution of farming operations with cropping and livestock,
- Implementation of the businesses policies and procedures,
- Execution of transformation and sustainability activities,
- Developing a strong culture of teamwork, employee wellbeing and continuous improvement,
- Working closely with Gunn Agri Partners who provide finance, HR and WHS support.

We are seeking candidates who have the following experience, skills and traits:

- Solid experience in managing a modern, large-scale broadacre crop farm.
- Leadership experience in managing and directing staff and contractors.
- Previous experience with agriculture management systems (such as AgWorld), interpreting agronomic advice and budgeting.

WILGA
FARMING

- Experience in livestock will be considered advantageous including exposure to AgriWebb.
- Knowledge of sustainable practices is desirable and/or a willingness to adopt and adapt.
- Effective communication skills.
- Operating and maintaining cropping, farm and/or earth moving machinery.
- Sound understanding of work health & safety requirements to ensure a safe workplace.
- Be physically fit and able to fulfill all requirements of the role.
- Hold a current drivers' licence.
- Able to confidently use Microsoft Office products.
- Willingness to partake in the local community such as joining the local fire services/brigade.

About Us

Gunn Agri Partners manages mixed farming properties for Australian and European institutional investors. Gunn Agri Partners proudly manages Wilga Farming, Cunningham Cattle Co. Wollemi Farms and Faulkner Farming. Gunn Agri Partners has a history in agriculture working across Farming, Cattle and Permanent Crops.

Wilga Farming provides an opportunity for career progression with an organisation committed to sustainable farming and innovation, where we value the safety and welfare of our people. These values have helped us realise a track record of success and we are growing as a result.

We are an equal opportunity employer and are committed to building a diverse and inclusive workplace. We embrace diversity and welcome applications from all candidates, irrespective of culture, faith, sexual orientation, gender identity, disability, or age.
